ENGLISH

Read the following Paragraph and answer the following questions.

Dried fruits are useful in various diseases of the brain, muscles, and tissues. Almonds have unique properties to eliminate brain weakness and make it stronger. The almond preserves the vitality of the brain, straighten the muscles, destroys the diseases that originate in nervous and biliary disorders. Walnut is another dried fruit that has wonderful qualities to cure brain weakness. According to Dr. Johnson, almonds, figs, grapes, dates, apples and oranges are rich in phosphorous elements and should normally be consumed by brain workers. Phosphorous nourishes the vital tissues of the body. It keeps your mind full of enthusiasm for more work.
